Since 1922: Our experience is your success
Our comprehensive range of quality laboratory glassware like microscope slides, cover glasses, counting chambers, capillary tubes, laboratory containers and volumetric glassware has made our name and our brand renowned internationally. Many products made of plastics and porcelain for the general laboratory work complement our range of laboratory glassware.
Paul Marienfeld GmbH & Co.KG 97922 Lauda KönigshofenOur company was founded in 1922 by Paul Marienfeld in Thuringia and since that date the company is owned by the Marienfeld family. In 1955, the company moved to Baden-Württemberg and nowadays we distribute our products from Lauda-Königshofen to more than 100 countries worldwide. We produce and distribute a wide range of laboratory glass- and plasticware as well as accessories and instruments for use in laboratories. Our products are produced according to DIN/ISO standards.

ContainersLaboratory EquipmentLiquid-Handling & Life Science Material The brand Marienfeld Superior has become a synonym for quality and reliability. Our experience of more than 90 years in developing and producing laboratory glassware will be your success, too. Quality
Our quality management is certified by DEKRA Certification Services acc. to DIN EN ISO 9001:2015. A quality control which accompanies the entire production process and stringent final checks ensure that our customers only receive items of the highest quality.

Worldwide presence and service
Benefit from our worldwide distribution network and our service. Marienfeld products are available in more than 100 countries worldwide.

Short delivery times
We stock a large amount of inventory for our customers in our high bay warehouse with over 1500 storing positions and 3000 shelves. In our catalogue arrows indicate products which are, usually, immediately available even in large quantities.
