

Bolt

Vana-Lõuna tn 15
Tallinn 10134
Estonia

Bolt is a food delivery service, information technology and transport company based in Estonia. Its official website describes the group as Bolt (official name Bolt Technology OÜ) is an Estonian multinational mobility company that offers ride-hailing, micromobility rental, food and grocery delivery (via the Bolt Food app). Fetched public sources used for this record trace the business history back to 2013. Industry labels attached to the company point to food delivery service, information technology, transport, and the main verified web presence for this listing is bolt.eu. Latest public figures used during research mention about 4,206 employees. Its registered legal form is private limited company. Public Wikidata figures report a total revenue of about 2.0 billion euro (2024). Reported products and services include Bolt Food and Bolt. The contact row focuses on the main headquarters entry rather than every subsidiary, plant, or regional operating company. No general email address is shown unless the company published one openly for broad contact, so specialist investor, media, privacy, or careers mailboxes were left out. The logo fields point to a direct website asset and, where available, a separately verified Wikimedia Commons file. Large international groups often expose several legal entities and regional contacts, so.
