Marel is a food processing company based in Iceland. Its official website describes the group as a multi-national food processing company based in Iceland and headquartered in Garðabær. The company manufactures equipment and other services for food processing in the poultry, meat. Fetched public sources used for this record trace the business history back to 1983. Industry labels attached to the company point to food processing, and the main verified web presence for this listing is . Its registered legal form is limited company. The company's shares are listed on Nasdaq Iceland Hf. and Amsterdam Stock Exchange. The contact row focuses on the main headquarters entry rather than every subsidiary, plant, or regional operating company. No general email address is shown unless the company published one openly for broad contact, so specialist investor, media, privacy, or careers mailboxes were left out. The logo fields point to a direct website asset and, where available, a separately verified Wikimedia Commons file. Large international groups often expose several legal entities and regional contacts, so this row stays at the clearest group-level headquarters entry published during research. Fields that could not be verified live were left empty instead of being inferred, which keeps the.
