

Hrvatski Telekom

Radnička cesta 21
ZAGREB 10000
Croatia

Hrvatski Telekom is listed as a telecommunications company connected with Croatia. The profile summarizes public corporate facts in original English for a business directory import. Its main directory context is Croatia, with sector tags selected from structured research rather than copied marketing text. Research labels point to telecommunications as relevant business areas. Available structured data records the company history from 1998. Public structured data also referenced an employee figure of about 4,216 people. The website field points to hrvatskitelekom.hr, while the listing text stays independent from source wording. The contact information is limited to headquarters-level details and general company endpoints. Specialist mailboxes, individual contacts, investor-only addresses, and direct extensions are excluded. Logo use is handled separately through local files, attribution metadata, and trademark notices. This wording is intended to be factual, concise, and reusable across translated directory pages. The entry uses neutral directory language and avoids promotional claims. It focuses on stable headquarters, sector, website, and country context. Unverified contact points are deliberately omitted until a general corporate endpoint can be confirmed. The profile is written for comparison, search, and multilingual directory discovery. The entry uses neutral directory language and avoids promotional claims. It focuses on stable headquarters, sector, website.
