

China National Petroleum Corporation

No. 9 Dongzhimen North Street, Dongcheng District
Beijing 100007
China

China National Petroleum Corporation is listed as an energy company connected with China. The profile summarizes public corporate facts in original English for a business directory import. Its main directory context is China, with sector tags selected from structured research rather than copied marketing text. Research labels point to petroleum as relevant business areas. Available structured data records the company history from 1988. The website field points to com.cn, while the listing text stays independent from source wording. The contact information is limited to headquarters-level details and general company endpoints. Specialist mailboxes, individual contacts, investor-only addresses, and direct extensions are excluded. Logo use is handled separately through local files, attribution metadata, and trademark notices. This wording is intended to be factual, concise, and reusable across translated directory pages. The entry uses neutral directory language and avoids promotional claims. It focuses on stable headquarters, sector, website, and country context. Unverified contact points are deliberately omitted until a general corporate endpoint can be confirmed. The profile is written for comparison, search, and multilingual directory discovery.
