Bulgaria

EVN Bulgaria Elektrosnabdyavane is a trade of electricity company based in Bulgaria. Fetched public sources used for this record trace the business history back to 2006. Industry labels attached to the company point to trade of electricity, and the main verified web presence for this listing is . Its registered legal form is Q126870168. Public Wikidata figures report a total revenue of about 669.1 million Bulgarian lev (2023). The contact row focuses on the main headquarters entry rather than every subsidiary, plant, or regional operating company. No general email address is shown unless the company published one openly for broad contact, so specialist investor, media, privacy, or careers mailboxes were left out. The logo fields point to a direct website asset and, where available, a separately verified Wikimedia Commons file. Large international groups often expose several legal entities and regional contacts, so this row stays at the clearest group-level headquarters entry published during research. Fields that could not be verified live were left empty instead of being inferred, which keeps the dataset cleaner for audit, review, and importer mapping. This description was rewritten from fetched public sources in a neutral directory style for phpMyDirectory import and repeatable reuse.
