

Unitel

Angola

Unitel is a telecommunications and mobile phone company based in Angola. Its official website describes the group as Unitel S.A. is a private Angolan mobile phone company which was established on 8 March 2001 as a joint-stock company. The company is owned by the. Fetched public sources used for this record trace the business history back to 2001. Industry labels attached to the company point to telecommunications, mobile phone industry, and the main verified web presence for this listing is unitel.tv. Latest public figures used during research mention about 2,000 employees. Reported products and services include Global System for Mobile Communications. The contact row focuses on the main headquarters entry rather than every subsidiary, plant, or regional operating company. No general email address is shown unless the company published one openly for broad contact, so specialist investor, media, privacy, or careers mailboxes were left out. The logo fields point to a direct website asset and, where available, a separately verified Wikimedia Commons file. Large international groups often expose several legal entities and regional contacts, so this row stays at the clearest group-level headquarters entry published during research. Fields that could not be verified live were left empty instead of being.
