

MTN South Sudan

South Sudan

MTN South Sudan is a mtn south sudan is the largest telecommunications company. company based in South Sudan. Its official website describes the group as the largest telecommunications company in South Sudan, with an estimated 1,700,000 subscribers, accounting for 61.8 percent market share, as of 31 December 2020. == Location ==. Fetched public sources were used to anchor the corporate record and its public identity. Industry labels attached to the company point to mtn south sudan is the largest telecommunications company., and the main verified web presence for this listing is . The contact row focuses on the main headquarters entry rather than every subsidiary, plant, or regional operating company. No general email address is shown unless the company published one openly for broad contact, so specialist investor, media, privacy, or careers mailboxes were left out. The logo fields point to a direct website asset and, where available, a separately verified Wikimedia Commons file. Large international groups often expose several legal entities and regional contacts, so this row stays at the clearest group-level headquarters entry published during research. Fields that could not be verified live were left empty instead of being inferred, which keeps the dataset cleaner for audit, review.
