Our magnets keep what we promise. Shop for magnets and magnet products made of neodymium iron boron, as well as samarium cobalt, AlNiCo and hard ferrite. Industrial magnets, office magnets, workshop magnets, magnetic foils and much more. In our extensive magnet shop you will find, among other things, permanent magnets (especially neodymium magnets), magnet systems, bore or threaded magnets, magnetic foil, office magnets, AlNiCo magnets, magnetic clamps, hook magnets, magnet magnets, fridge magnets and many more. Magnets in very different designs. Neodymium, iron and boron (NdFeB magnet) are currently the strongest permanent magnets available. Take a look around in our magnet shop and check out our diverse products, and above all our extremely attractive offers! We are sure that you will find what you are looking for. The magnetic office offers: fair prices with good quality, no minimum order values, short delivery times due to extensive stock. In Germany: shipping fee 5.20 € (including VAT), from 75 € free shipping. Payment methods in Germany: Prepayment by bank transfer or PayPal, Sofortüberweisung, GiroPay, credit cards and cash on collection. Invoice payment on request for state and municipal institutions such as authorities, museums, schools, universities etc. as well as most companies and regular customers. As a further plus point and real added value for our customers, we also supply magnets

as custom-made products according to customer requirements, as well as magnets with housing made of stainless steel. </iframe> < /p> <p style = "text-align: center"> </p> <h1 style = "text-align: center"> <a data-cke-saved-href="http://www.magnetkontor.com" href="http://www.magnetkontor.com" target="_blank">www.magnetkontor.de </h1>
