Jüstrich Cosmetics AG stands for quality, innovation and flexibility in contract manufacturing. An uncompromising commitment to meticulous production methods and the use of carefully selected active ingredients are contributory factors to the company's success. In just ten years we have successfully made the move from being a small producer of natural cosmetics to an innovative enterprise for speciality cosmetics.

Full service – our experienced specialists guide you all along the entire value chain. We respond to your individual needs. Decide for yourself which services you would like to receive from us and which processes you want to undertake yourself. We are happy to undertake all stages of the process for you. Production Products Private Label Quality Assurance Warehouse Logistics We manufacture your products in our state-of-the-art production facility. Whether you are looking for development, production or filling – we are the specialists for your personal care products. Our many years of experience in the cosmetics industry and our modern infrastructure allow us to cover all areas of skin care cosmetic products. YOUR PRODUCT'S RECIPE FOR SUCCESS - To achieve a profitable product you need a clearly defined concept that you are passionate about. INNOVATION & CREATIVITY

The key to bespoke products lies in the research department of Jüstrich Cosmetics AG. We offer you our professionalism, our years of experience and our holistic understanding of cosmetic products. Our employees are constantly in touch with the latest trends and are always happy to assist you in realising your range of cosmetics.
